Website Care Report

Dear Mary Beth,

Thank you for trusting Out of Nowhere with the care of your website. The enclosed report outlines the software maintenance we completed on your site to keep it safely humming along.

We scan your site five days a week for outdated plugins, themes, and WordPress core files. Anytime a software module needs an update, we take care of it immediately. In addition to monitoring and maintaining the software on your site, we keep daily, weekly, and monthly backups of your site in the cloud. We protect you.
